COCHRANE BMX ASSOCIATIO

Commitment Community Competition

Cochrane BMX Association is a non-profit organization run entirely by volunteers; without volunteers, racing will not be possible. Ask how you can help!

Volunteer Bond FAQ

1. Who decided to have a volunteer bond?

This requirement was introduced by Cochrane BMX Association Board in 2016 to promote and encourage parents to volunteer and get involved with the club.

2. Why is there a volunteer bond?

The volunteer bond was introduced to encourage Cochrane BMX members to get involved in the club. It requires many hands to run a successful race night and with the recent growth of the club, we need to ensure that we balance the increased demands against our philosophy of making BMX fun and affordable.

3. How much is the volunteer bond?

The volunteer bond is \$200 per family.

4. How many hours do I need to put in?

A minimum of 20 hours is required but the board will encourage all families to continue past the requirement.

5. I unfortunately don't have time to volunteer, do I have to?

No, you can opt out of the volunteer bond and pay the \$200 fee but please remember that Cochrane BMX is run 100% by volunteers and we need everyone's help for a successfully run season.

6. What roles are available?

There are numerous volunteer opportunity/roles available throughout the BMX season. Many are these are simple and don't require any special training or abilities. We will host a parent's information session at the beginning of the season where we will explain all the different volunteer options that will be available.
